Defendant.)	
_____)	

The Court ordered that a settlement conference be held before Magistrate Judge Laurel Beeler, and that conference is presently scheduled for Wednesday, August 29, 2012 at 9:30 a.m. It is Defendant's belief, however, that a settlement conference at this time would not be productive, and Defendant has so informed the government. Accordingly, Defendant, through undersigned counsel, and the United States, through undersigned counsel, stipulate and request that the presently scheduled settlement conference be taken off calendar.

Respectfully submitted,
